

LPTS-P is a table stand in a portrait configuration using Leader Prestige profiles.

An oval shaped anodized aluminum base is used in single and double sided units.

The LPTS-P is available in five widths: 94, 124, 168, 230 and 320mm with endless height options.

All presented height options are commonly used sizes; however, customized heights are available upon request.

The Leader prestige features unique rounded micro snap side profiles, allowing a fast and simple insert change without compromising its elegance. The side clips are offered in 5 spectacular colored anodized finishes: Silver, gold, black, red, and blue.
